

~ We are launching staff member of the month

~ We are collecting lids from petis filous pots

February 2012
Manager: Deborah

New Room Name

At the end of last year we asked for your help in choosing a room name for the merged Swans and Cygnets. It was a close run contest but after staff, children and parents had cast their vote the winning name by two votes was Dragonflies. We are already using this for displays and when we talk with the children.

Dear Parent or Carer

We have registered with this great scheme that will help us make savings on equipment and we need your help!

All you have to do is save the lids from any pot of Petits Filous. Each lid is worth 2p so with your help we will soon be able to raise a decent amount.

Please just bring them in to us (it would be really helpful if you could wash them first!). We will do the rest.

The scheme is open until 31st of July but please start collecting today.

You can find out all the details of the scheme at:
www.potsmakepounds.co.uk

Thank you for your help and we look forward to receiving all your Petits Filous lids.

Staff Member of the month

Have you been impressed by one of our team this month? Would you like them to get a reward?

We do.

There are nomination forms available by the parent notice board, please let us know each time someone is helpful or goes the extra mile. One team member's name will be drawn, by a child, at the end of each month from those nominated and they will be featured in the news letter and on the notice board. We will be telling all the staff if they been nominated and why, so please make sure you tell us this on the form. The whole process will start again next month

Birthdays in February

Leo and Sergea celebrate their 4th birthdays.

Samuel celebrates his 3rd birthday.

There are 4 staff birthdays Laura, Maureen, Kelly and Brenda

Would you prefer to receive this newsletter via e-mail and thus save the Environment as well as printing costs for the Nursery, just email us and let us know.
